

Company Information:

Artistry Labs is a ministry-based consulting, design, and technology firm. We specialize in work for churches, ministries, and Christian organizations all over the world. We provide a fun and fast-paced environment that offers work on a wide range of projects.

Job Overview:

The graphic designer + videographer is a person who is passionate about pushing the envelope when it comes to print, web, video, and digital design. He/she has strong creative skills in general, but flourishes in building brands, crafting compelling videos, thinking beyond what looks good, and creating great online experiences—possessing the skill set to concept and design branding elements such as logos, websites, digital graphics, and print materials in a wide range of styles as well as maintain projects with knowledge of the latest print production, video production, and design trends.

Job Function:

To utilize creative skills in designing innovative websites, compelling digital graphics, captivating videos, and inspiring print materials.

To quickly familiarize yourself with brand goals and integrate style into design.

To facilitate project revisions for print, digital, video, and web.

To research and implement current trends in the web, video, and print industry.

To fulfill special projects as requested.

Skill Requirements:

Have proven (2+ years) graphic design and/or video production experience, but we are willing to check out anyone with less if your work is solid and inspiring.

Have strong proficiency with Photoshop, Illustrator, InDesign, and Premiere.

Have a solid understanding of website technologies and trends.

HTML, CSS, and/or photography would be a plus.

Personal Requirements:

Should be a fast learner and a self-starter.

Be able to juggle assignments while maintaining a high level of quality, organization, detail, and adherence to deadlines.

Should be a team player and willing to do what it takes to get the job done.

Should have a desire for long-term employment.

Bachelor's degree in graphic design, video production, or commensurate experience.

Positions Details:

Full-time, within office hours of 8:30am-5:30pm weekdays. Pay based on experience.
